Dear Alyssa:

In addition to the completion of an approved Michigan teacher education program, the State of Michigan requires that teachers pay a fee to be certified.

On the basis of your completion of the Central Michigan University teacher education program, the Center for Student Services Office has forwarded a recommendation in your name for a teaching certificate to the Michigan Department of Education. Your certificate will not be issued until the Michigan Department of Education sends you a billing statement and receives the required fee.

Due to possible delays in processing certificates, the Michigan Department of Education has agreed that this letter may be used for seeking employment in lieu of the teaching certificate for a period of three months. After the expiration date of March 11, 2011 a valid certificate must be presented to an employer or prospective employer as verification of the required certification.

If you have questions regarding the billing statement or the certificate, contact the office of Professional Preparation Services, P.O. Box 30008, Lansing, MI 48909. Their telephone number is (517) 373-3310. You may also check your certification status through the Michigan Department of Education website at [www.michigan.gov/mde](http://www.michigan.gov/mde).

Sincerely,

Linda Gillingham  
Assistant Director  
Undergraduate Academic Services
